

Principle:

Each competitor / team, in the area of the DFV, must qualify for the World Championship in flag throwing (small flag) in a National Championship, South German Championship, other championship or qualifying tournament.

Foreign competitors may, if they have no qualification, qualify for the competition before the World Championship to qualify for the competition.

The championship / tournament must be recognised by the DFV.

In these championships in flag throwing (small flag) lower starting heights are allowed:

Youth AK I - II:	2 Meter	Women: 5 Meter	Women AK: 4 Meter
Youth AK III - IV:	2 Meter	Men: 6 Meter	Men AK: 5 Meter

Qualification is achieved when the following heights have been validly thrown over:

Youth AK I - II:	3 Meter	Women: 6 Meter	Women AK: 5 Meter
Youth AK III - IV:	4 Meter	Men: 8 Meter	Men AK: 7 Meter

(= starting heights WM)

Qualifying Tournament:

If no championship can be held due to a low number of participants, the participants can qualify in a tournament. There is no scoring as in a championship! Only the height of the throw is evaluated for qualification. The DFV regulations must be observed.
